

Seamly2D Pattern Cloud Walkthroughs

Live system: <https://seamly.cloud/>
<https://my-pattern.cloud/>

User registration

Step 1 - start user registration

The screenshot shows two panels. The left panel, titled "Register as a designer...", has a blue "Register" button. A callout box with the text "Start here" points to this button. The right panel, titled "Registered users", contains a form with the following fields: "User ID (email address)" with a placeholder "email address", "Password" with a placeholder "Password", and a blue "Login" button. A link for "Forgotten password?" is located below the password field.

Step 2 - enter account details

The screenshot shows the registration form with the following details filled in: "Login ID (email address)" is "sam.browne@vintage.com", "First name" is "Sam", "Family name" is "Browne", "Password" is masked with ".....", and "Confirm password" is also masked with ".....". A blue "Register" button is at the bottom. A callout box with the text "Enter details, click [Register]" points to the "Register" button. The right panel, titled "Registered users", is identical to the one in Step 1, showing the "User ID (email address)" field with "email address", the "Password" field with "Password", the "Login" button, and the "Forgotten password?" link.

All the information entered above is private and not visible to other users.

Step 3 - create account

 Account created.
You should receive an email containing a link to confirm your email address.
Use the login form 'Registered users' to continue.

Account created.
Time to check for the email.

seamly.cloud - password reset request

Inbox - My-Pattern 11 November 2017 at 18:42

To: 

Reset your seamly.cloud password by using the following link: <https://my-pattern.cloud/ws/passwordReset/> 

If you did not request a password reset then please ignore this email.

The email will contain a link which will display a form enabling a new password to be set.

FULL
master  

Password reset

Login ID (email)	<input type="text" value="sam.browne@vintage.com"/>
Designer	<input type="text" value="SamBrowne"/>
New password	<input type="password" value="required"/>
Confirm new password	<input type="password" value="required"/>

Press [OK] to confirm the change. You will then receive a confirmation email that the change has been made.
